SoCal Garage Door Repair Unmatched Knowledge and Expertise

By Thomas Fitzgerald

Family owned and operated, Irvine-based SoCal Garage Door Repair Inc. is a top-rated garage door service company dedicated to providing top-quality garage door repair, installation, and maintenance services, including same-day service. Their team of skilled and experienced professionals are committed to using only the highest-quality materials and equipment.

"We deeply understand the importance of having a fully functional, secure, and reliable garage door and work tirelessly to ensure our clients' doors are working properly," says Shirley Holzman, partner. "We take pride in our work and deliver exceptional results."

Servicing every corner of Orange County for over 10 years, upgrading the curb appeal for hundreds of OC homeowners with new garage door installations every year, SoCal Garage Door Repair's foundation is based on honesty, integrity, and quality work.

Simple Pricing

SoCal Garage Door Repair believes in transparent and straightforward pricing, ensuring that their clients know exactly what to expect with no hidden fees or surprises.

"You don't have to immediately replace your garage door opener simply because it is not working," says Shirley. "Call us for an immediate inspection and we'll suggest the optimal solution that suits your need and budget."

Prompt Services & Satisfaction Guaranteed

SoCal Garage Door understands that a faulty garage door makes your daily life inconvenient and poses safety risks. Their professionals will assess the issue, diagnose the problem, and find the primary reason behind the malfunction. Once the issue is identified, you can rely on their extensive expertise to resolve the issue and return your garage door to its optimum functionality. You can view video examples of SoCal Garage Door's work replacing and repairing garage doors and parts at their YouTube channel by aiming your browser to YouTube.com/@socalgaragedoor.
